HAIL TO OUR MORGAN PARK

Hail to our Morgan Park,
Cheer them along the way,
Onward to victory,
May they win this game today.
We'll give a cheer for our Morgan Park;
Long may they reign supreme.
Shout till the echoes ring
For the glory of our team.

Roberta,
To the life saver

SCHOOL SPIRIT PLAYS AN ACTIVE ROLE IN ALL SCHOOL ACTIVITIES

Tension mounted at the Duluth Arena as the Wildcat fans anxiously waited for the hockey team to score another goal.

After adding finishing touches to the Blue and Gold Day decorations, the students treated themselves to a pot luck supper.

The blazing bonfire is a symbol of the spirit of victory present in every student's heart at Morgan Park.

Mrs. Gunderson displayed the enthusiasm of the faculty members as she thanked the members of the Girls Club for her Christmas gift.

This year the Parktorian staff has chosen School Spirit as the theme for the yearbook because we felt that school spirit is still very much in evidence at Morgan Park. Not only is this spirit present at athletic games and pep assemblies, but it is also displayed by Parkers through their active participation in sports, clubs, plays, and other organizations. School spirit is present in the many activities which involve all students of our school and is evident in their attitudes and the ideals that they live up to. The purpose of this book is to make you, the reader, conscious of the Wildcat spirit.

THE WILDCATS BATTLED ALL THE WAY

HERMANTOWN SQUEAKS BY

Opening the season with Hermantown, the Green Machine showed off the effects of opening pressure. Hermantown scored in the first three quarters making it 21-0. The Wildcat defense tightened up in the last quarter, preventing the Hawks from scoring.

THE BELL IS OURS

With the bell on the minds of the players, the Wildcats pulled through with a 14-13 victory over the Rails. The Cats opened with three big yardage plays by Joe Pavkovich. More points were added to the scoreboard when Ken Johnson made our second touchdown.

CATS ARE WOUNDED

The Hunters came through, wounding the Wildcats with a 41-7 victory. Rodney Anderson scored the only touchdown for the Cats and after that one, we were stopped cold.

TOPPERS TOP THE CATS

The first half was the battle between the defenses, with Cathedral getting the only score. During the second half, however, Cathedral came up with two more touchdowns and walked away with the game. Final score was 21-0.

HOUNDS CHASE CATS

What started out to look like another defensive

game ended up in a rout by East. East scored only once in the first half but came back in the second half to walk away with the game. Mike Spehar provided the only touchdown for Morgan Park, making the final score 31-6.

CATS CHOPPED DOWN

Cloquet, once again a power house, met the Wildcats in freezing weather. The Lumberjacks expected an easy victory but were surprised at the Cats' defense. Mike Spehar once again provided Morgan Park with the only score of the game. The final score was 28-6.

TROY WINS

This was one of the better games played by the Wildcats this year. Central scored twice in the first half and had to contend with Morgan Park's stiff defense. Nick Obradovich provided the defensive punch while Rodney Anderson gave us the offensive thrust. Final score was 13-6.

GRAND MARAIS SHIPWRECKED

The victory flag waved for the Wildcats in the final game of the season. Joe Pavkovich scored two touchdowns and Rick Turchi scored once to put Morgan Park out of reach. The outstanding defensive player of the game was Martin Santti. The game ended with a 20-6 victory for the Parkers.

POM POM GIRLS ADDED COLOR TO THE GAMES

Performing at the Blue and Gold Day game, the girls entertained the crowd at half time.

"Downtown" and "Hey Look Me Over" were just two of the songs that the Pom Pom girls marched to. Under the leadership of co-captains Patty Christensen and Connie Carter, the squad performed many peppy routines at basketball and football half-times.

Besides performing for the Wildcat games, the girls also took part in the annual Apple Festival Parade at Bayfield, Wisconsin. At the end of November, the Pom Pom girls, along with the majorettes and band, marched in the Christmas City of the North Parade.

The girls practiced many hours to create and to learn new routines.

Mrs. Vernon, business adviser; Sandy John, editor; and Miss Wickstrom, editorial adviser often had to confer on annual matters.

School spirit was very evident as the 1967-68 Parktorian staff compiled material for a very distinct and different yearbook. This year the staff decided to disregard all previous order and put pictures and articles of activities and organizations in the sequence they happened, instead of having sep-

arate sections, as in years past. The members of this year's editorial staff were Sandy John, editor; Jackie Botsford, layout editor; George Fasteland, sports editor; Pat Christensen and Jean Stojevich, school life editors; Charlene Gunderson and Kathy Grimes, photography editors; Bob Masich, Jack Koval, and Rod Fierek, photographers. The business staff included Charles Fause, general manager; Amanda Begas, circulation; Sue Harper, treasurer; Mary Hoppenyan and Sue Ewald, advertisements; Diane Ekholm and Arlene Alstadt, typists.

Our advertisement editors, Mary Hoppenyan and Sue Ewald, were busy soliciting ads.

The dark room was the center of activity for the photographers, Jack Koval, Bob Masich, and Rod Fierek.

The typing for Parktorian was done by Arlene Alstadt and Diane Ekholm.

Sue Harper and Charles Fause were responsible for the Parktorian finances.

Charlene Gunderson and Kathy Grimes served as photography editors. George Fasteland edited the sports pages.

THE PARKTORIAN STAFF

Jean Stojevich and Patty Christensen served on the Parktorian staff as school life editors.

The layout editor's job, a very important one, was filled by Jackie Botsford. Amanda Begas was busy throughout the year obtaining subscriptions for the annual.

Charles Fause, general manager of the Parktorian, served as master of ceremonies.

SPONSORED THE CARNIVAL

On Friday, November 3, the Parktorian Staff- Sponsored the annual Fall Carnival. Many new concessions were added this year, such as "The Curio Shop" and the fortune telling booth.

At seven-thirty, the crowd made its way to the auditorium for the coronation.

Excitement mounted as the court was introduced. Then Charles Fause, Parktorian general manager, proclaimed Bill Berglof and Betty Carlson King and Queen. Sandy John and Sue Harper placed the crowns on their heads. A group of senior girls sang "Puff the Magic Dragon" for the entertainment of the King and Queen, court, and the audience. At the conclusion, the audience left to visit the concessions, only to return in a half hour for the annual variety show.

Betty Carlson and Bill Berglof reigned as our Carnival Queen and King.

A group of senior girls called the Toys sang "Puff the Magic Dragon."

Room 310 won first prize for homeroom decorations.

OUR SCHOOL NEWSPAPER ACHIEVES SUCCESS

Hall of Fame, letters to the editor, and Snoop were just a few of the ingredients which made up this year's Parker Press. In order to obtain subscriptions, some members presented a skit and the first issue was given free. A new feature added to the newspaper was the interviewing of coaches' wives. On September 20, five seniors, Kathy Grimes, Sandy John, Joan Swanson, Charles Fause, and

Jane, Tonci, Jean, Pat, and Diane work diligently on a new article.

Rod Fierek attended the Minnesota High School Press Association convention at the University of Minnesota, which provided the students with valuable information on planning a newspaper. Parker Press gave the student body current news items about the school. Mrs. High was this year's adviser. We, the Parktorian, staff, would like to congratulate Parker Press on a very successful year.

AN ORGANIZATION OF SERVICE

Red Cross was a very busy group this year. The girls devoted their time to charitable projects for the less fortunate. The first duty they assumed was a mass school membership drive. Through this way they were able to give \$50 to the city wide Red Cross. Next they made a Viet Nam wishing well and this money went for presents for our boys fighting over in Viet Nam. Next they worked on their Christmas project which was to carol at

Lastly the group performed an Easter project and held several bake sales. With extra money they sent two girls to Red Cross Camp. The adviser for this group was Mrs. Ogard. She helped them in all they did.

BUSY F.H.A.'ERS COMPLETE SUCCESSFUL YEAR

Under the guidance of Mrs. Carlson, adviser, and the leadership of the officers, President — Cathy Abbett, Vice-President — Jackie Botsford, Secretary — Arlene Alstadt, Treasurer — Sue Anderson, Relaxer — Sue Smith, Historian — Kathy Swanson, Financial Adviser — Joan Swanson, the F.H.A. completed another successful year.

Included in their busy schedule this year were the traditional dinner honoring the varsity foot-

ball squad, the annual Christmas party and dinner, a meeting with Father Hulit who spoke and showed slides, an ice cream social, and slides on good grooming and make up hints shown by Sue Anderson. Besides their many activities, several delegates were sent to the District meeting at Cloquet, and the group completed several worthwhile projects: the sale of cook books, letter holders, and school directories.

The girls worked diligently in preparation for the annual football dinner.

A game of exchanging presents was played by F.H.A. members at their Christmas party.

SERVICE AND FELLOWSHIP ARE THE GOALS OF GIRLS CLUB

Girls Club members contributed to a happy Thanksgiving for a needy family.

Miss Morgan of 1967 was selected at a Girls Club assembly.

The members of Girls Club, the cabinet, and their adviser, Mrs. Gunderson, have been kept busy with many activities and worthwhile projects since the school year began. The first activity was the annual membership drive which ended in a huge success, with almost every girl in Senior High becoming a member. The traditional Recognition Dinner and initiation of Sophomores and other new members culminated this drive. For Thanksgiving the girls collected canned goods and purchased a turkey to be distributed to a needy family. At Christmas time the girls sponsored a

gift auction. Dixon Bastie, the auctioneer, helped to make it a success. The proceeds from this auction were used to finance the Mother-Daughter Tea and Style Show which was held in collaboration with the Home Economics classes. Many money making projects were also under way this year, such as selling popcorn and candy. Weekly meetings were attended by the cabinet members, and monthly meetings by all girls who belonged to the organization. Completing the school year, a Farewell Tea was held for the seniors and also the club elected new officers.

Despite chilly weather the band members performed at all football games.

The roll of the drums and the blare of brassy horns were Morgan Park High School Band sounds, which helped promote school spirit at the many games and pep fests. Mr. Faragher, the director, scheduled a very active year for the band members. The group displayed its marching skills by taking part in the annual Apple Festival Parade at Bayfield and the Christmas City of the North Parade. The band also performed at the Christmas and Spring Concerts. It sold light bulbs and sponsored bake sales and a pancake supper as projects to make money for the purchase of new uniforms. The musicians will climax their year by participating in the Veterans of Foreign Wars Convention at Rochester, Minnesota on June 21 and 22.

The pep band played for the Blue and Gold Day coronation.

The marching band added color to the annual Bayfield Apple Festival Parade.

The Student Council hosted guests for the State Student Council Convention.

Patty and Sandy John were seen every day at noon selling ice cream for Student Council.

STUDENT COUNCIL

Student Council was one of the busiest organizations in the school. The outstanding officers this year included: Rickey Stoyanoff, president; Larry Matel, vice-president; Sue Harper, secretary; Jim Watt, treasurer.

This year's Student Council initiated a new symbol, the barrel, to instill more school spirit. The class showing the most school spirit at a pep assembly had its class ribbon tacked on the barrel. Each class was represented by a different colored ribbon; for the seniors — blue, juniors — gold,

sophomores — white, and the junior high — green. At the end of the year the class with the most ribbons had its class year engraved on the barrel. This year it was won by the Seniors.

Another one of the Student Council's projects was to obtain housing for 75 students, who participated in the Minnesota State Student Council

President Rick Stoyanoff added some bottle-caps to our collection for East High School's contest.

INSTILLS SCHOOL SPIRIT

Convention held in Duluth. Morgan Park was in charge of the voting for the delegates at the convention.

An opportunity arose for the Parkers to return a favor to East. East helped us with our coupon drive so we helped them to collect bottle caps to obtain the use of the Arena for an evening.

Again this year, the Student Council sold ice cream at noon.

The big holiday project was the decorating of center hall with trees, scenes, and music. All this added to the Christmas spirit.

Since the Council consists of homeroom delegates and officers, and heads of organizations, all senior high grades are represented in the organization.

WILDCATS WENT THROUGH A RUGGED SEASON

Rodney Anderson
Co-captain

The Wildcat basketball team went through a tough season this year, but showed much promise for next year. The coaches, Graydon Stromme, Paul Nace, and Roland Strand, lifted the boys' spirit throughout their depressing moments.

Captains Martin Santti and Rodney Anderson began encouraging their teammates right at the beginning of the season with a convincing victory over Grand Rapids. Morgan Park jumped to a 16-11 halftime lead, and held off a Grand Rapids scoring spree to win 40-37. From then on, the team score seemed to go into a slump, but the team spirit continued on an even keel.

MAJORETTES SUPPORT OUR TEAM BY GIVING HALF-TIME PERFORMANCES.

S. Toprock, K. Fairchild, M. Murphy, Captain Mimi Gammon, J. Lewandowski, L. Morrison, D. Nelson.

Twirling batons and snappy routines were seen this year whenever the Morgan Park majorettes performed. Led by captain Mimi Gammon the squad added color and enthusiasm to half-time entertainment at the Cats' basketball and football games.

Along with the band and pom-pom girls the majorettes marched at Bayfield, Wisconsin in the annual Apple Festival Parade. Despite the chilly, rainy Duluth weather, the girls appeared in the Christmas City of the North Parade. They also took part in the coronation of our Carnival King and Queen and our Athletic Queen.

The girls, after a long day of school, practice their routine.

The majorettes added Morgan Park's colors to the Bayfield Parade.

The cast was as follows: left to right — Rod Fierek, Jean Stojevich, Bill Bergloff, Lori Christensen, Kathy Burns, Dick Newman, Mary Hoppenyan, Leigh Douville, and Dixon Bastie.

On January 22, the play **The Importance of Being Ernest**, a farcical comedy on Victorian upper class England, was presented. The three act play used two sets of scenery.

Volleyball practices were held on Monday nights.

Miss Lisbeth Yapel, GRA adviser, and President Sue Liston, organized the activities and stimulated the interests of the GRA members. Other officers were Betty Carlson — Vice-President, Gayle Mack — Secretary, Yvonne Rizzi — Treasurer, and Debbie Burger — Point Recorder.

One of the major money making projects of the club this year was the sale of Wildcat class shirts. The project, a success, brought in sufficient money to cover the expense of the Christmas Dance.

The climax of the year was the GRA Banquet held at a local restaurant, at which time the members were awarded pins and trophies.

AN EVENING OF ENCHANTMENT

On Saturday, December 16, the annual Christmas Dance was held in the school cafeteria. The "girl-ask-boy" affair proved to be a success with the help of co-chairmen Jackie Botsford and Terri Trogdon. The cafeteria was transformed into a Winter Wonderland cleverly decorated with red and green crepe paper portraying the Christmas spirit. Some of the decorations included Santa, the reindeer, and a few elves. Santa's sleigh was even in evidence behind which the band, "The Take Five," played. Red and white ribbon souvenirs were presented to each girl as she entered with her chosen date. The evening was one of enchantment for every couple who attended.

Red and White souvenirs were presented to the girls.

GRA members spent many hours decorating for this annual event.

SNO DAZE HIGHLIGHTED WINTER FUN

Sno Daze, under the direction of Mr. Olson, adviser, and co-chairmen, Voni Rizzi and Mike Spehar, opened with a senior high boys' intramural basketball tournament. Following this, an assembly was highlighted by the coronation of our king, Jim Watt. Mixed volleyball teams, consisting of three boys and three girls each, challenged other teams, with Rodberg's Rebounders winning the championship. While the senior high battled in the gym, the junior high boys staged a broomball tournament on the hockey rink. A junior high dance was held after school in the cafeteria. The day drew to a close as the Wildcats played hockey against Central at the Arena.

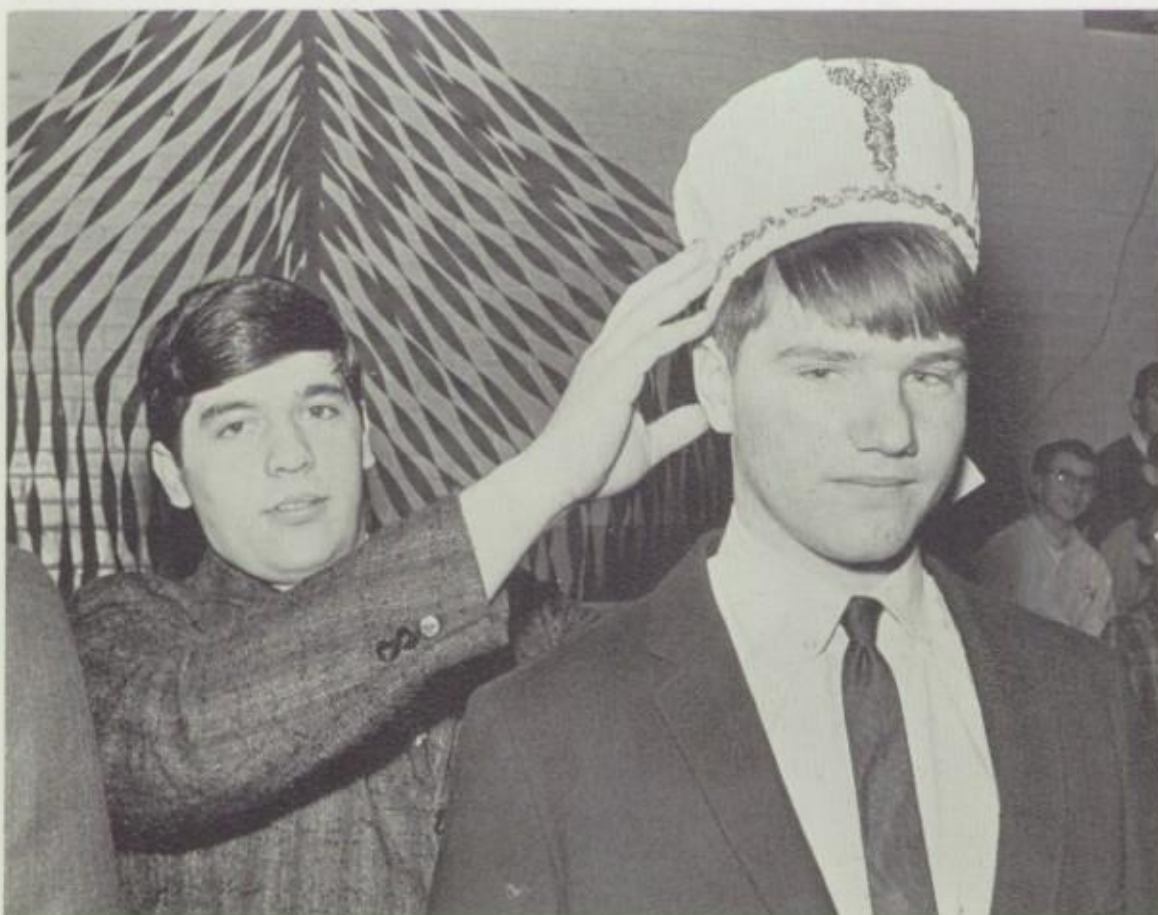

Christen's Cruisers were victorious.
Back row: Mike Walters, Jim Woods, Jeff Cook. Front row: George Fasteland, Rick Stoyanoff, Steve Christen, Mike Spehar.

Friday the Sno Daze activities started early. From 12:00 until 3:00 the senior high boys participated in broomball tournaments. While the senior high boys battled on the rink, the junior high mixed volleyball teams fought for the championship in the gym. During the afternoon, the fairer sex proved its skill in broomball on the rink. Later the senior high boys vied for the basketball championship with Christen's Cruisers victorious. Then the Wildcats traveled to Cathedral for a basketball game. A dance culminated the Sno Daze festivities.

Rodberg's Rebounders, Front row: Diane Webber, Mary Jacobson, Linda Rodberg. Back row: Mike Rodberg, Gene Panyan, Martin Santti, were the champions of the mixed volleyball tournament.

As the crowd tensely watched, last year's king, Steve Bergan, crowned this year's winner, Jim Watt.

Spirits mounted as we Parkers prepared for Blue and Gold Day. Separate halls were decorated by each class, with the seniors winning the prize for the best decorations. A pot luck supper culminated the decorating activity.

With the Wildcat's spirits high, a pep assembly was held in the auditorium. The school saw a revival of pep through class competition for the "Barrel of Spirit" which the seniors also won. Mrs. High, Sue Harper, and Bill Gigliotti were given the best-dressed awards. The assembly closed with the school song.

The title Athletic Queen was not bestowed upon the girl because she excelled in athletics, but because the coronation took place during an athletic season. That evening the candidates were escorted by the varsity basketball players. As the crowd tensely watched, last year's reigning queen, Anne Chapinski, crowned this year's winner, Barb Brophy. Following the coronation, the Parkers challenged Denfeld in basketball. The day of festivities drew to a close with a dance in the school gym featuring the "Lovable Postmen."

LET'S HAVE A GREAT BIG CHEER FOR MORGAN!

The cheerleaders form their famous pyramid.

Victorious smiles following the defeat of Proctor.

"We're proud of our team — hey!" was just one of the many cheers the school participated in throughout the year. The cheerleaders worked hard to instill school spirit; and their voices could be heard at all of the football, basketball, and hockey games. Pep assemblies were sponsored by the cheerleaders prior to many of the games. In October, the girls attended a cheerleading clinic in Cloquet where new cheering techniques were learned. Homecoming and Blue and Gold Day were also sponsored by the cheerleaders. The cheerleaders backed the Wildcats in all they did.

OUR SPANISH VISITOR CONTRIBUTED GREATLY TO OUR EL CLUB DE ESPANOL

Carmen plays the piano for her "sister" Debby.

The AFS committee consisting of B. Carlson, P. John, G. Fasteland, J. Botsford, R. Stoyanoff, M. Rushenberg, and S. Harper made Carmen feel welcome.

Carmen Perez, our American Field Service student from Sao Paulo, Brazil, lived with the Edward Burger family in Gary.

Here, at Morgan Park, she participated in Student Council, Spanish Club, Girls Club, and National Honor Society. At Christmas time, Carmen was given charms by the AFS committee, and the Student Council gave her money to defray the cost of graduation. The P.T.A. presented her with a camera at the National Honor Society Recognition assembly.

Carmen came here as a stranger but left as a friend.

El Club de Espanol was an organization of Spanish speaking students brought together to develop Spanish speaking techniques. The elected officers were Joan Swanson — President, Amanda Begas — Vice-president, Patty John — Secretary, and Ray Nelson — Treasurer. Meetings were held at the students' homes where the Spanish language was spoken and various games were played to build up their vocabulary. Places visited by the club were UMD language lab, and the Grand Rapids and St. Paul Harding Language Conventions. The final meeting was held at the home of the club's adviser, Mrs. Ogard.

STUDENTS PARTICIPATE IN WINTER AND SPRING SPORTS

Gene Panyan, Ron Sigler, Ty Frost, John Scott.

The swish of the club hitting the ball could be heard as the members of the golf team practiced every weekend. Mr. Mickolojak, the adviser, gave many tips on the right procedures for playing the game. The team had a successful year and promoted sportsmanship between schools.

The same swishing sound could be heard as the members of the ski team came roaring off the jump. Ski adviser, Mr. Nace, taught the team the proper positions for making a good jump. Effort and skill produced a successful year for the ski team.

A SUCCESSFUL DECNEY AND VARIETY SHOW WAS PRODUCED BY THE GIRLS CLUB

Charles (Jacquinot) finally becomes the man of the house.

For a mere quarter, the students and faculty of Morgan Park were treated to the Girls Clubs annual presentation of the Decney and Variety Show. Traditionally the Decney is a one act play. This year a comedy, "In The Suds," directed by Mrs. Gunderson, adviser, and Joan Swanson — student director, and starring Charles Fause, Charlene McKerrihan, and Lori Christensen was presented. The Variety show which followed, consisted of a piano solo by Carmen Perez, and accordion duet by Diane Ekholm and Rodney Pelander, a vocal duet by Sue Ewald and Mary Jacobson, a Miss Morgan of 1968 skit, and the L. P. Extraordinary band.

"Fungi Tooth" and "Clarice Fatty" try to influence judge, "Deadeye Dick."

THE CHOIR RECORDED

The vocal music department of Morgan Park was once again very active. The Concert Choir and Girl's Ensemble both had a busy year performing at various events throughout the city. The Concert Choir practiced daily while the Girl's Ensemble practiced three times a week.

The Girls Ensemble consisted of
 Row 1: D. Jackson, L. Jackson, J. Frederick.
 Row 2: P. Vaydich, S. Toprock, G. McKerrihan.
 Row 3: C. Berg, S. Mulek, J. Woods, D. Keating.
 Row 4: L. Harper, S. Murphy, M. Peterson, C. Glumac, C. Samarzia.

The highlight of their season was a performance at the State Student Council Convention.

THE VOICES OF CHRISTMAS

Under the direction of Mr. Harpke, the Concert Choir had a busy schedule. Their first major event was the inter-city Christmas Pageant held at the Duluth Arena. Again this year the Choir performed at the First American National Bank which was also broadcasted over KDAL radio. The First American National Bank sponsored a record, *The Voices of Christmas*, which includes the five high school choirs in the city. Morgan Park's numbers were *Lo How A Rose*, *Alleluia*, and *Glory to God*.

Of course, there are always school performances. Both the Concert Choir and the Girls Ensemble performed at Thanksgiving, Christmas, Easter, and additional minor concerts. The Choir collected weekly dues to help pay for the expense of its spring trip.

and they placed first there.

The girls' volleyball team again represented Morgan Park well. They played in the county tournaments at Cathedral where they took fifth place. Later in the year the girls also took part in a volleyball clinic at Hermantown.

PREMIERE OF READER'S THEATER

Director, Mr. Soetebier

TRACK TEAM BREAKS ALL RECORDS

The mile relay team consisting of D. Rushenberg, D. Salminen, R. Beaudin, G. Gustafson, and J. Peterson, broke the old school record.

G. Beaudin and J. DeBoer represented Morgan Park in the cross-country run.

J. Buresh and R. Turchi show promise in the pole vault.

Morgan Park had another winning track season. Dave Jones plus the mile and the half mile relay teams brought many trophies back to the school. Jones was the first boy from Morgan Park to win a mile run at the Outstate Track Meet. At Aurora, Dave set a new record in the half mile; and at the Big Ten Meet, he put in an outstanding performance in the mile race to smash the old record. Dave represented the Park at the City-Regional

where he set a new record in the mile run. At the state tournament he came through with a fourth place.

At Hibbing, Aurora, and the City-Regional, the mile relay team came in first. A school record, 3:27.5, was set at the City Meet. The half mile relay team placed first at the Big Ten and City-Regional Meets. They set a new record at the Big Ten Meet.

The Morgan Park Baseball team completed an exciting season. Under the guidance of Coach Graydon Stromme, the Wildcats ended the season with a record of four wins and six losses. However, many of the games were lost by only one run. During the tournaments, the Parkers came

through with a five to two victory over Central in the opening game. In the second game the team was unable to come back after Denfeld took an early lead, and therefore defeated Morgan Park by a score of five to two.

National Honor Society is one of the few clubs whose members are not elected because of popularity, but become members through their own merits. Members must exhibit qualities of leadership, scholarship, character, and service.

Adviser, Mrs. Schwar, always stressed that the organization is national and each member has his name enrolled at the headquarters in Washington, D.C.

Projects sponsored by the members were the sale of class pins, Salvation Army Christmas gifts, and the Tea held on May 6.

President Sue Harper, Vice-President Linda Rodberg, Secretary Diane Ekholm, and Treasurer Eugene Panyan were the officers.

On February 23, 17 members were installed. They were Seniors; J. Botsford, P. Christensen, D. Doherty, C. Perez, and K. Thoreson, Juniors; B. Bothun, M. Dodge, L. Hoffmockel, P. John, L. Manderud, J. Menart, S. Nace, R. Nelson, J. Rodberg, M. Rushenberg, C. Samarzia, and J. Sanders.

Mr. Soderberg looks over scholastic records of students.

Our guidance counselors, Mr. Nelson and Mr. Soderberg, assisted students in arranging schedules and planning their future vocations.

Miss Koski, our new librarian, and her assistant, Mrs. Fracassi, encouraged the students to take advantage of our new library facilities by offering them valuable assistance in finding information.

Mrs. Braskerud and Mrs. Melander, school secretaries, were constantly kept busy with all the office duties that must be performed in order to keep our school running smoothly.

Miss Koski assists Jack Koval with a research paper.

This Parktorian is a record of your many distinguished accomplishments of the past year, an account of friends you have made and the activities you have enjoyed together. These are stored herein for a life time. May its contents serve as an inspiration to strive continuously for the ideals you have conceived in your school years.

As you ponder in retrospect in future years, many of these pages will come alive and illumine your days.

To all our students, and especially the seniors — may good health and good fortune be with each of you wherever your paths may lead.

RICHARD A. HILL

In Senior English Dennis Pelander showed Gail Mack the rising action of Macbeth, while Richard Newman and Linda Lonetto worked on their 3200.

Spenser, Goldsmith, and Boswell were just a few of the unfamiliar but famous names that the Seniors were introduced to. This year the first college-bound English class met with Mrs. High during the third hour. The class differed from regular Senior English in that the students read more extensively and wrote a greater number of themes. The spelling lessons dealt with more difficult and technical words. The lessons included several exercises on suffixes, prefixes, synonyms, and antonyms.

Organization and quietness typified the Junior English classes under the direction of Miss Wickstrom. The

Janet Frederick made her book report to Miss Wickstrom in English 11 during the reading unit. The students chose either an A, B, C, D contract, each with varying difficulty.

THE STUDY OF HISTORY AND SOCIAL STUDIES HELPED STUDENTS

Jody Lenard shows Rick Peterson where to find Saudi Arabia during a map quiz in World History.

Students in the Problems of Democracy classes have been kept very busy this year. In the beginning of the school year a group visited a stock brokerage firm downtown. When they returned, they relayed the information given them to the remaining students, and the classes then voted to purchase stock in a company. Besides purchasing real stock they also were given an imaginary thousand dollars to purchase any stock of their choice. The next several months were spent studying Economics, while the second semester was dedicated to the study of Communism. Many long hours were devoted during the second semester to obtaining information and composing a term paper with a topic of the students choice.

Did you know that Hannibal crossed the Alps with an army of elephants? This and other facts learned by Sophomores in Mr. Forbort's World History classes are just some of the points which make the subject so interesting. The students also became quite proficient in map reading as maps of the world were studied extensively throughout the year. Current events played an important role too, as Sophomores learned about current news as well as ancient news. Learning about the history of our world, enables us to appreciate and understand other peoples of the world.

Problems students from period I are disappointed as they check the decline in their stock.

TO BETTER UNDERSTAND THE PEOPLES OF THE WORLD

Eileen Haynes works diligently on an assignment given her by Mr. Soetebier in American History.

American history students studied history from the time of Columbus to World War I under the direction of Mr. Soetebier. Assignments were given, and active discussions were carried on every day. Often Mr. Soetebier would lecture and students would give their individual opinions. The students were also given the opportunity to do extra-credit reports for which they were given extra points and thus had a chance to bring up their grades.

Early in the school year a student chairman was elected in each of Mrs. Schwar's American History classes. In order for the students to gain a better understanding of the events in American History, projects were assigned by Mrs. Schwar, and the students chose the topics they were most familiar with for this project. Recitation played one of the most important roles in the point system, and also gave the students an opportunity to state their own opinions of what they had read.

Mathematics requires calculated thinking and application of proven facts. Math courses include geometry, advanced algebra, and modern introductory analysis, a twelfth grade course.

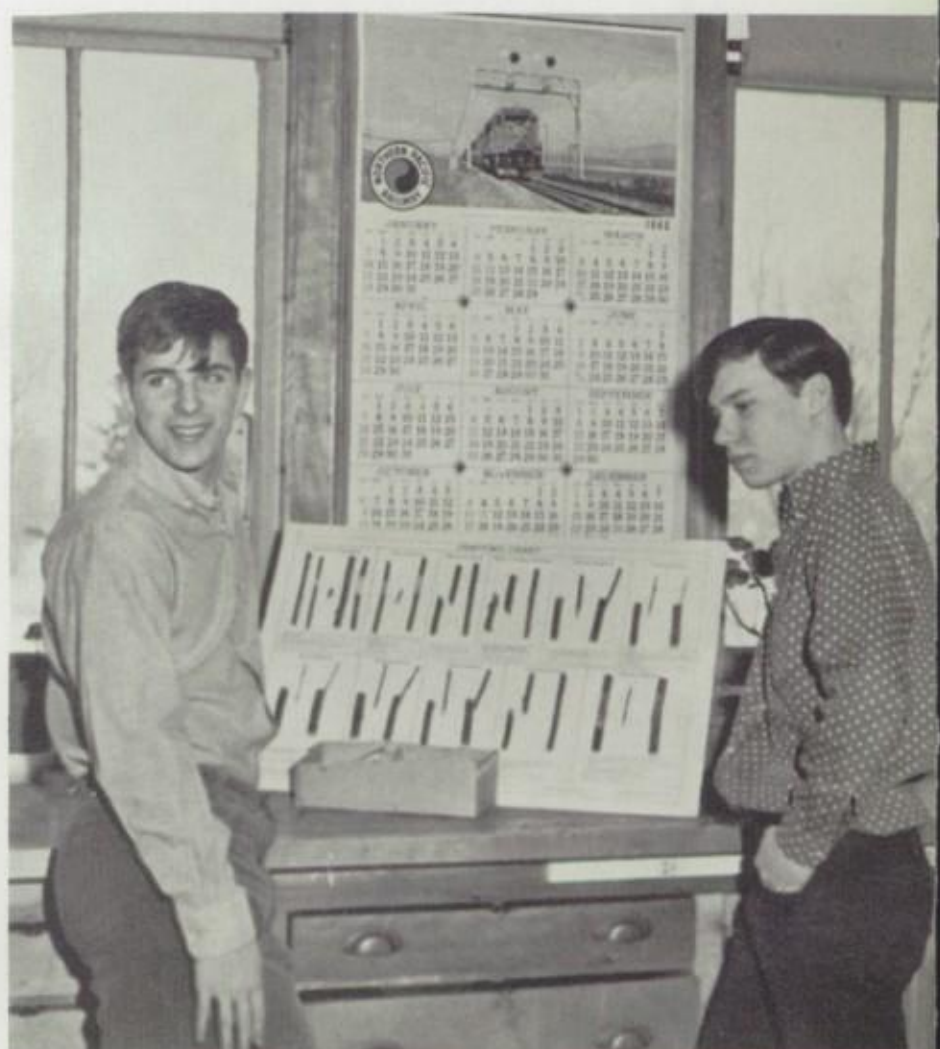

Geometry is a predominantly sophomore course, although it is open to everyone. Geometry involves learning about numbers and their relation to space. The basic laws are fundamental for this math, for a thorough knowledge of them is necessary for study in more advanced math classes. Graphs and all types of shapes such as triangles, squares, pentagons, and circles are also studied.

Algebra II and III, or advanced algebra, is the next course. Advanced equations, formulas, proofs, and theorems are used to show the validity of a law. In this class, a student develops a sharp mind.

Math 12, modern introductory analysis, delved deeper into the mystery of numbers. Students studied functions, limits of functions, solved equations, graphed those equations, and explored the complex number system. A study of this math course was basic preparation for college.

Ray Nelson demonstrates his ability in solving an advanced algebra equation.

Biology, physical science, chemistry, and physics were the four science courses offered.

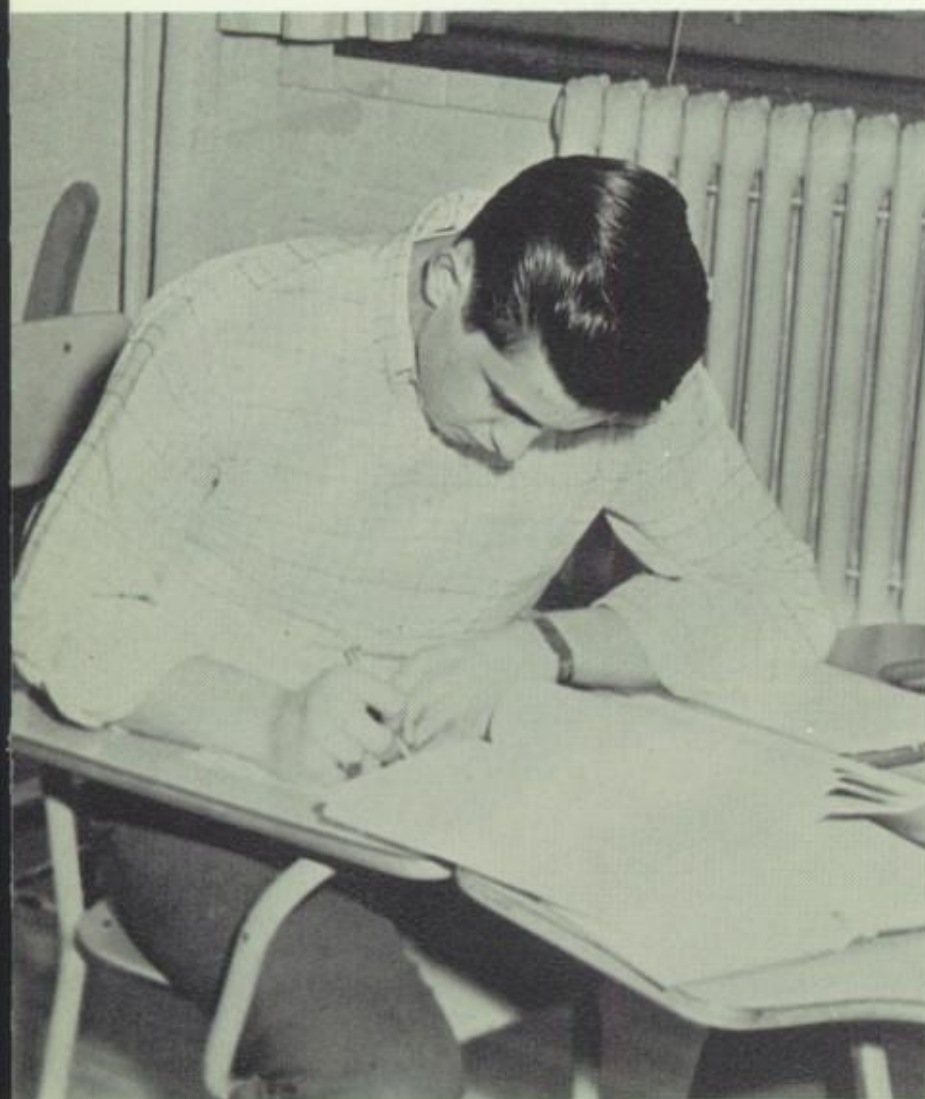

Biology, which all sophomores are required to take, is the study of all living organisms in nature. The study of plant life and the study of animal life are one semester each. The microscope and the dissecting tools helped the students to understand life around us.

Chemistry is the study of all non-living forms of nature. The laboratory is the proving ground for the formulae learned in the classroom. The study of the atom and the more than one hundred

elements of nature form the basic parts of the course of study.

Physical science is an introduction to the natural laws of science which govern our world. The study of forces, of gas pressure, and of earth's atmosphere are all important.

Physics is a continuation of the study of the basic laws of the physical world and their application in life. From a study of physical realities, sound, force, and pressure, the course progresses to a pre-college level of study.

Shop has been a very busy place this year for our senior high boys.

In the carpentry class, the boys are taught to work safely and correctly with the various machines and tools used in the carpentry trade. Their project is to build a complete home to scale. The house is complete with everything but plumbing, heating, and lighting fixtures.

The students in the machine shop class, are required to use the various tools and machines used in the machinist trade. The main project, a vise, was chosen because it gives each student a chance to use all the machines in the shop department. In this class, accuracy, safety, and speed are stressed.

Sue A. and Joyce L. set an attractive table.

The whirring of sewing machines was a common sound in the senior high Home Economics classes this year. The first projects the girls made were remodeled garments. They created a very useful garment out of a discarded piece of clothing. For their second project they made assorted kinds of wearing apparel. These projects ranged from winter coats to pajamas. After the girls finished their final sewing projects, a tea and style-show was given for their mothers. The Home Economics classes sponsored the style show itself, while the senior high girls club worked on the tea.

During the second semester the time in home economics was spent in cooking and food preparation. The girls made formal meals, informal meals, snacks, picnic lunches, and many fine desserts. Our main emphasis in food preparation was to develop creativity. The girls really came through with some attractive table settings.

DICISNE LATINUM? DO YOU SPEAK LATIN?

Is, ea, id, eius, eius, eius, ei, ei, ei were some of the many words and declensions which students in Latin II had to learn. Besides learning new Latin words and Latin forms, they became acquainted with the customs of ancient Rome. There was a section devoted to Caesar's battles in Gaul, several selections of poetry from Horace and Virgil, and the complete story of the Argonauts.

Students in beginning Spanish learned the basic parts of a sentence and the basic vocabulary. They also had dialogues and tapes which told a story in Spanish. The more advanced students in Spanish III listened to tapes. However, there were selections from famous Spanish novels.

Languages aid in the understanding of our own language and promote good will between countries.

In Spanish Kathy Begas set up the Spanish bulletin board for Christmas while Tanya Repka listened to Spanish tapes.

BUSINESS COURSES PROVIDED VALUABLE EXPERIENCE

In Steno II Linda Rodberg took dictation from a dictaphone while Barb Brophy typed a letter from her notes.

The sounds of rustling papers and the squeak of pencils typified Bookkeeping. Workbooks were used in which each lesson corresponded to a chapter in the textbook. To relieve the monotony, the Bradford Set was used for practice in balancing books, writing receipts and checks.

The clicking of typewriters as the students practiced the lessons in their manuals was heard in Typing I. The sound of pen on paper in addition to the sound of typewriters could be heard as the Steno students learned the shorthand symbols, practiced typing business letters, used the dictaphone and practiced on the Teletrainer.

This year's business courses developed invaluable business training.

STUDENTS DEVELOP CREATIVE TALENTS

The Humanity classes again this year were filled with heated discussions on world problems.

Producing projects was one way the students showed their creativity. These projects ranged from home-made rugs, puzzles to architectural structures.

The students viewed many movies and film strips dealing with the Renaissance, primitive man,

ancient civilizations, and many more.

Those who took the elective art course were kept busy throughout the year. Besides drawing, the students tried painting and block printing.

Senior High art, as a foundation for modern living, taught the students to plan and design. They experimented with art materials applicable to everyday life.

THIRD FLOOR DISPLAY CASE A WORK OF ART

Cheryl Berg, President; Leslie Hunt, Secretary; Jane Carey, Vice-President; and John Scott, Treasurer examined the bulletin board to make plans for the next decorating project.

FINANCES — LARGE PROBLEM FOR THE JUNIOR CLASS

Pat Hart, Secretary; Norman Stensland, Treasurer; Dixon Bastie, President; and Joe Pavcovich, Vice-President, discuss the problems of the Junior Class.

The Junior Class, led by able officers, completed their duties with perfection. This year's Prom co-chairmen, Nancy Nickila and John Rodberg worked with Mr. Soetebier in planning and making preparations for this event. Pat Burkey and Jim Mlodozniec worked together with Mrs. Akervik in organizing the Junior-Senior Banquet.

In October and April the Juniors sponsored two car washes from which the proceeds were used to sponsor the Prom and Banquet. Dixon Bastie was the chairman of the finance committee which planned the car washes. With pep and cheer the Juniors rivaled the Seniors and Sophomores.

The Thirteen Bells

"Twas in 1955

When we heard the first bell,
We began our long journey
At the sound of its knell.

At the ringing of the second
We were off once more
On a journey to learn
What the three R's stood for.

For knowledge we strived,
And the time went so fast,
That the third through the sev-
enth
Were soon of the past.

From children to teenagers
In three years we grew,
Our activities were many
And our lives seemed like new.

The sound of the eleventh bell
Echoed far and wide,
We were really grown up now
And it couldn't be denied.

The twelfth bell rang,
But it never can fade
All the happy moments
We as juniors portrayed.

Now, the final bell
Has been rung at last,
Echoing, and reminding us
Of our wonderful past.

Our last year passes
Too quickly to explain,
Nine months go by,
And it's June again.

Solemn and stately
We walk down the aisle,
Blinded with tears
We try hard to smile.

Our minds are hazy,
In our eyes there's a tear,
As we realize now
We won't be back next year.

The thought brings us shivers
Yet we know it is true,
We glance at our classmates
Thinking what we've all been
through.

The fun packed days
We ne'er shall forget,
The final exams,
We think of them yet.

To us at the time
They seemed hard to endure,
Reminiscing now,
Oh, how easy they were!

One at a time
We receive our diplomas now,
Like the finale of a drama
We take our final bow.

Realizing it's over
We try hard to clear
Our minds of the memories
Of a perfect senior year.

One look at the future,
One thought it now brings,
Why couldn't there be
JUST ONE MORE BELL TO
RING?

THE SOUL OF A FRIEND WE'VE MADE.

The picnics . . . the parties . . . the skits . . . and all the fun

As the year comes to an end, we, the seniors of Morgan Park, find ourselves remembering all the events of our high school years. As sophomores we made new friends and worked together as a class in all we did. As a result, we had the best floor on Blue and Gold Day.

The following year we were kept busy as juniors. To decide upon and organize the means by which to raise funds for the prom and banquet, we initiated the Prom and Banquet Committee. We soon found ourselves washing cars and selling popcorn. Everyone worked willingly and both events were a big success. We also purchased our class rings and began taking tests for college

which wasn't as far away from us as we thought.

Our Senior year is the one we'll always remember best. It was during this year that we really put forth our efforts to make the year successful. Once again we had the best floor for Blue and Gold Day and the Barrel of Spirits was also ours. The royalty that reigned was our royalty. When we sent out our announcements, we realized that the class leaving for always was our class. We look forward to graduation with mixed emotions, not knowing exactly what the future holds. Whatever it does bring, we shall never forget our years at Morgan Park High.

we're all a part of our high school years.

JUNIOR HIGH STUDENT COUNCIL

The Student Council, under the guidance of Mr. Shelby Nelson, met every Wednesday to discuss problems concerning the junior high.

Officers this year were Tim Peterson — president, Steve Rodberg — vice president, Sandy Nace — secretary, and Ricky Becks — treasurer.

In October the entire council membership attended the Regional Conference held at the Duluth Arena. The annual All City Junior High Student Council Conference, in which all council members took part, was sponsored by Woodland Junior High this year.

Something new was tried out by the Intra-City Junior High Student Council Organization called Visitation. Every month two students from every junior high school visited a school and attended classes. The Student Council also sponsored Orientation, the showing of the school to the upcoming seventh graders.

Last year's Queen Lynn Dalbec and King Jeff Stewart robe this year's royal couple, Barb Christensen and Jim Koepke.

SPONSORS FOLLIES

March 8, marked a night of excitement for the Junior High when Barbara Christensen and James Koepke were crowned this year's royalty of the Freshman Follies.

Under the direction of the Junior High Student Council, the Freshman Follies committee chose "Candyland" for their theme. Entertainment was provided by various students of the Junior High.

Other members of the court were Patti Galinski, Gloria Downs, Deena Townsend, Mary Howden, Tim Nickila, Ron Gustafson, Steve Rodberg, and Dave Mooers. The Master and Mistress of ceremonies were Robert Fierek and Joan Westlund. Last year's King Jeff Steward and Queen Lynn Dalbec were back to crown this year's royalty.

Seated: Deena Townsend, Mary Howden, Gloria Downs, Patti Galenski.
Standing: Tim Nickila, Dave Mooers, Ron Gustafson.

Master and Mistress of ceremonies, Robert Fierek and Joan Westlund, announced the members of the royal court.

MOTHER AND DAUGHTER TEA HIGHLIGHTS THE YEAR

The eighth grade girls made garments of cotton in preparation for the style show.

This year's officers helped the club through a busy year.

Junior High Girls Club with a hundred percent membership, had an interesting year. A dance and orientation meeting for the new Girls Club members were a few of the activities they sponsored.

The group was under the guidance of Mrs. Carlson and the Girls Club

officers, Jan Stube — President, Barb Christensen — Vice-president, Gloria Downs — Secretary, and Patty Galinski treasurer. Money making projects were necessary for financing the club's numerous activities.

The Mother and Daughter Tea, which included a style show, was held in the spring.

Mr. Wetterlind*

TYPING

The ninth graders learned the skills needed for speed and accuracy in the typing course, which is a one semester course. Timings, exercises, and drills helped to develop proficiency in typing.

The ninth graders are busy typing business letters.

In shop the ninth grade boys learned many useful skills.

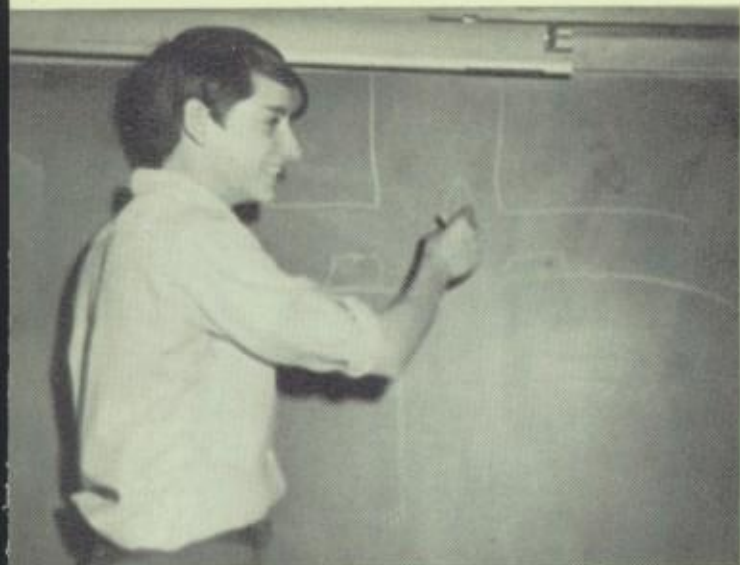

SHOP AND HOME ECONOMICS

Through the efforts of Mrs. Carlson, the junior high girls learned the fundamentals of cooking and sewing.

The Industrial Arts department taught the boys such useful skills as mechanical drawing and carpentry.

Cotton garments were made by the eighth grade girls.

Scott Kruse shows the Civics class the proper way to make a turn.

SOCIAL STUDIES

The junior high social studies classes varied their studies in individual classes. Geography was stressed in the seventh grade, American history in the eighth grade, and civics in the ninth grade. The ninth grade course also included driver education.

SCIENCE

This year the science department began a new course of study which was broken down into three categories. The seventh grade studied life science, the eighth grade physical science, the ninth grade earth science.

Through experiments students learned the principals of air pressure.

Speed in track is an essential element practiced in gym.

GYM

Physical education was an important part of school life. The junior high girls learned to play volley ball and crab soccer, while the boys played the more rugged sports like football, basketball, and softball.

The boys' music class listened to Broadway musicals.

MUSIC AND ART

Junior high music classes learned the background and fundamentals of music. In the art classes the student created many interesting pieces of art.

Numerous sketches were done by the art students.

HAIL TO OUR MORGAN PARK

Hail to our Morgan Park,
Cheer them along the way,
Onward to victory,
May they win this game today.
We'll give a cheer for our Morgan Park;
Long may they reign supreme.
Shout till the echoes ring
For the glory of our team.

Bobbie,
I hope you
can't wait to

Way up north in Minnesota
Morgan High School reigns.
Through the years we've fought
And strived for goals we now maintain.
May our stand be strong and true
In what e'er we do,
We will pledge our highest honor,
Morgan Park, to you.

Roberta,
Have fun this summer
See you next year ~~see~~
